

KLA Industries, LLC Announces 3 New Products

Producers of fine Porsche parts, KLA Industries, LLC, including their famous 944 odometer gear and 968 Strut Brace, is pleased to announce 3 new products added to their already complete lineup.

Tulsa, OK ([PRWEB](#)) February 01, 2016 -- KLA Industries, LLC is pleased to announce the release of 3 new products, a rear sway bar drop link kit for the Porsche 911, a steering pump belt adjustment rod for the Porsche 944/968, and a A/C belt adjustment rod for the Porsche 944/968.

“These items took some time to arrange. We fully tested each to be sure we provide the highest quality. We are very excited to have them added to our product lineup for our customers,” said Scott Levy, representative for KLA Industries, LLC. “All 3 items are of the highest quality, and assembled in the USA.”

The new items can be found at: <http://www.klaindustries.net>

“We are all Porsche people, and we want to offer the best parts, value, and service in the industry for customers looking to fix or improve their Porsche,” says Levy. “I, along with my partner Tom, do our best to ensure

exceptional quality and value pricing.”

About KLA Industries, LLC

KLA Industries, LLC was founded in 2001 by Scott and Tom, two Porsche enthusiasts looking to support consumers of the vehicles they had grown to love. At first, Scott and Tom focused their efforts in providing parts for the Porsche 944, but have since expanded their efforts to include many other Porches including the 911, 928, and Boxster.

KLA Industries, LLC. is not associated with Porsche Cars North America or Porsche AG in any manner. All pictures and references to the Porsche name, and the car names and shapes are for reference only. For more information, please contact:
